All of our bacon and sausage are smoked on premises in the Big Bad Smokehouse. • Our orange and grapefruit juice is squeezed daily and is therefore unpasteurized. Eggs are coming from a variety of cage free local suppliers (when available). • Dairy Products, when available, are coming from the Brown Family Dairy in Yocona. • Cattle are all organic and grass-fed. Jellies, jams, and preserves are made fresh daily with a selection of fresh fruits and berries. • Whenever possible, we source local produce and all of the herbs used come from the chef's organic garden. If ever we offer catfish, you can bet the farm it's Mississippi Delta Farm-Raised catfish. • We attempt to use whatever recyclable products we can and work within as green a program as possible.
